REPORT FROM BAYCREST BINGO

At our "Bingo Night" on November 15th we had over eighty residents in attendance. They really look forward to the "Mosaic Bingo Night", as they have a very entertaining evening and appreciate the prizes. I would like to thank the following Brethren who helped make the night special for the residents; Bros. Eyal Edelman, Ron Fraleigh, Mark Frankel, Jeff Maderer, Russell Pearsall and Joel Umansky. It is through our Brethren's assistance that our Baycrest program is so successful.

-Bro. Martin Yolleck

REPORT FROM "LET'S DO BRUNCH" in support of of the Chron's & Colitis Foundation.

Sixteen Masons participated in this project on Friday and Sunday mornings, Dec. 2, and Dec. 4. Our members were 85% of the packing and delivery crew . . . without us, the program would have failed as we packed and delivered 200 brunches over the two days throughout the GTA. Those participating were Brian & Emily Korson, Keith Macdonald, Fred Halpern, Stan Udaskin, Stan Katchen, Malcolm Laderman, Ron Fraleigh, Henry Nirenberg, Lorne Shields, Mark Frankel, Jeff Maderer, Stan Goldstein, Barry Kushner, Daniel Fagen, Harry Colt and Philip Black. Thanks to all the volunteers.
